

Guidelines for Document Submission:

Student Visa Application

▶▶ Attention International Applicants and Students:

- Please carefully read and follow the instructions provided. Failure to do so may result in delays or complications for which you will be fully responsible.
- Ensure that your photo meets all specified requirements. Any incorrect or non-compliant submission may lead to rejection or the need for resubmission, which could affect your application or student record.
- We strongly urge you to review the guidelines thoroughly before uploading your photo. If you have any questions, seek clarification in advance to avoid any issues.

Thank you for your cooperation.

Personal Photo

Color: Must be in color. Black and white or monochrome photos will not be accepted.

Format: **JPG** format only.

Orientation & Resolution: The photo should be vertical with a height greater than its width.
Minimum resolution: **400** pixels (width) x **600** pixels (height).

File Size: Between **30** KB and **500** KB.

Recency: Must be taken within the last 6 months to accurately reflect your current appearance.

Background: Plain, light, solid white background only. No borders!

Expression: Natural facial expression with eyes open.

Attire: No uniforms, except for everyday religious clothing.

Head Covering: No hats. Your full face must be visible. If you wear a scarf or other head covering for religious reasons, ensure it does not obscure or cast shadows on your face.

Accessories: Headphones, wireless hands-free devices, or similar items are not allowed.

Glasses: Glasses are not allowed unless medically required. If you must wear glasses for medical reasons:

- The frame must not cover your eyes.
- The glasses must not obscure or blur your eyes.
- There should be no glare or reflections on the lenses that obscure your eyes.

Image Quality: Photos scanned from passports, driver's licenses, etc., or taken with low-quality mobile phones are not accepted.

Clarity: The photo must not be tilted, distorted, or blurry.

Borders: Remove any extra borders from the image

Passport Image

Color: Must be in color.

Format: **JPG** format only.

Content: Only the first page of your passport is required.

Orientation & Resolution: The image should be horizontal (wider than its height). Minimum resolution: **800** pixels (width) x **600** pixels (height).

File Size: Between **50** KB and **500** KB.

Clarity: The image should not be tilted, distorted, or blurry.

Details: The entire image must be clear and undistorted. The two lines of machine-readable code at the bottom of the passport's first page must be clear and straight.
